

22 to 26 June 2024
Queen Sirikit National Convention Centre,
Bangkok, Thailand

The 32nd International Society on Thrombosis and Haemostasis (ISTH) Congress brings the world's leading minds in thrombosis and hemostasis for an exciting convergence of groundbreaking research, unparalleled networking opportunities, and a chance to glean insights from global experts.

Congratulations to our NCIS clinicians selected for presentations at #ISTH2024.
