2024 World Conference on Lung Cancer

7 to 10 September 2024
111 West Harbor Drive, San Diego

International Association for the Study of Lung Cancer (IASLC) is a global multidisciplinary organization dedicated to eradication of all forms of lung cancer. At the WCLC 2024, world-renowned experts in the field will offer profound insights and practice-changing treatments. It connects established researchers with young investigators and serves as a foundational meeting for healthcare professionals, patients, and advocates dedicating their lives to conquering thoracic cancers worldwide.

Congratulations to our NCIS clinicians selected for awards and presentations at #WCLC24.

Dr Huang Yi Qing
Consultant
Haematology-Oncology

Poster Presentation

Impact of Proton pump inhibitors use on faecal microbiome in patients with non-small cell lung cancer on immune checkpoint inhibitors

Dr Huang was also a recipient of the IASLC Academy Award 2023.

Dr Ivy Ng
Consultant
Radiation Oncology

IASLC Academy Award

The IASLC Academy is a professional development programme for early career physicians from around the world who are interested in pursuing an academic career in thoracic oncology.
